

A MAN who had never bought ready-made clothes in his life needed a suit in a hurry for a trip to San Francisco.

He came in and literally defied us to show him a suit he would wear.

We sold him two Stein-Bloch Suits in twelve minutes. But instead of apologizing he accused us of being tailors in disguise.

## RECEPTION TO THE VISITING SCRIBES

The reception to visiting editors at the Royal Hawaiian Hotel this evening promises to be the most largely attended hotel affair of the year. Not only is it the regular Alameda night concert at the hotel but the addition of the editorial function will make it all the more remarkable. For the concert during the hours of dinner (6:30 to 8:30 o'clock), the Kaai Quintet Club, assisted by Mme. Alapai and Mlle. Kaai will render a carefully selected program of vocal and instrumental numbers, entirely Hawaiian in its character and made up principally of the selections which have proved most popular during the recent tour of this concert organization. Dancing will fill out the evening from 9 o'clock. The program is as follows:

Selection—"Ninipo" ..... Kaula Soprano Solo—"Ua Like no a Like" ..... Everett Madame Alapai.  
Selection—"Akele ka Manao".....Hukia Mezzo Soprano Solo—"Ke Aloha i Hiki Mai" ..... Miss Elizabeth Kaai.  
Selection—"Ka Mawae" ..... Kalewe Vocal Solo—"Old Plantation" (Kuu Home) ..... Nape Madame Alapai.  
Selection—"Honolulu Hula Hula High" ..... Aea Duet—"Ke Hone ae nei".....Akac Madame Alapai.  
Miss Elizabeth Kaai.  
Selection—"Manao ke Aloha".....Kimo Duet—"Sweet Lei Lehua".....Figgs Madame Alapai.  
Miss Elizabeth Kaai.  
Finale—"Aloha Oe" ..... Lilu

## RAPID TRANSIT MAN WEDS A MAUI BELLE

One of the most picturesque and popular weddings that have taken place for some time occurred yesterday evening, when Mr. William E. Wayman, a favorite with his fellows of the Rapid Transit Co.'s employ, and Miss Wilhelmina Wessel, a charming belle of Maui, were united in the holy bonds of matrimony.

The ceremony took place in the Christian church, Alakea street, Pastor G. D. Edwards officiating. From the church the happy couple were driven to the residence of Mr. and Mrs. J. S. Bailey, 874 South King street, the house and grounds being beautifully decorated for their wedding reception. Conspicuous in the scheme was the intertwining of the Scottish and German flags in token of the international phase of the match. A large marquee on the lawn was devoted to the service of refreshments. The festivities were kept up to a late hour for the benefit of the carmen on the night run, as the invitations embraced the entire Rapid Transit force.

Miss Mehner was bridesmaid, and Mr. Wm. Bell best man. The bridegroom is not only highly esteemed by the carmen but valued by the management. He has lately been promoted from among the motormen to the office staff.

Amidst a fine array of wedding presents that of the Rapid Transit boys distinctly glittered, being a solid silver tea set with tray.

## A day off

If you contemplate a rest for a day or a week we would like you to consider Haleiwa. There is no place within easy reach of Honolulu that offers the same attractions, no other locality has the food, climate or environments. The house was full over Sunday; it might be well for you to keep away from disappointments by ordering your room today.

## WHITEHOUSE WILL BUILD NEW WHARF

L. M. Whitehouse has been awarded the contract for building the Government wharf No. 2, between the Alakea and Kilauea street slips. He was the lowest bidder as the following list of bids will show:

L. M. Whitehouse.....\$ 88,888 00  
John Duggan..... 90,000 00  
Burrell Construction Co..... 94,000 00  
E. J. Lord..... 97,200 00  
Concrete Construction Co..... 97,600 00  
H. H. K. De Fries..... 103,517 50  
Hawalian Dredging Co., Ltd. 108,000 00

The wharf will be 610 feet long and 120 feet wide. Work is to begin within two months from the date of acceptance of proposal, and be completed on or before June 15, 1907.

A shed will not be built on this wharf under existing appropriations, as the advance in the price of lumber would likely put it beyond the amount available.

## THE LEONARD IS BEST

WE CAN PROVE IT.

Leonard Cleanable Refrigerators are built with eight walls, each wall as follows: outside is wood, then dead air space, then a layer of parchment sheathing, then a layer of mineral wool, then a waterproof sheathing and finally the inside zinc wall. Air cannot possibly pass through these barriers and the air within is dry and pure. The doors are airtight.

The ice is protected from outside heat and cannot melt rapidly. Take a match and leave it in the Leonard all night, then strike it. This is the test for dampness. Very few refrigerators can stand it. The Leonard is dry and keeps food pure and fresh.

The Leonard Cleanable Refrigerator is easiest in the world to clean. The inside parts are made to be removed and you can get into every corner. The circulation of air is founded on the latest scientific principles.

It is economical because it saves ice and is strongly constructed. We guarantee satisfaction in every one we sell.
